Introduction

1. The purpose of this memorandum, filed on behalf of the Christchurch City Council (**Council**), is to respectfully seek an extension of time for the Council to comply with directions of the Independent Hearings Panel (**Panel**) set out in:
 - (a) Paragraph 5 of Minor Corrections to Decision 56 Chapter 6: General Rules and Procedures (Part) – excluding Noise, Airport matters, and Hagley Park and Chapter 15: Commercial – Lyttelton Master Plan Overlay Area dated 15 December 2016 (**Decision 56 (Minor Corrections)**); and
 - (b) Schedule 5 of Decision 63 Supplementary Definitions Decision and Minor Corrections to Decision 58 – Definitions dated 16 December 2016 (**Decision 63**).
2. The Council respectfully seeks an extension to 4pm Friday, 24 February 2017 to comply with these directions.

Background

3. Paragraph 5 of Decision 56 (Minor Corrections) directs the Council to complete numbering and structural review of the Christchurch Replacement District Plan (**CRDP**), and to amend the CRDP accordingly by Friday 17 February 2017. This direction followed the Council's Application to align the numbering and structure of the CRDP dated 5 December 2016.
4. Schedule 5 of Decision 63 directs the Council to complete a number of tasks by 17 February 2017, the detail of which is set out in the Council's Memorandum dated 9 December 2016. These are:

Correction requested	Council Memorandum ¹	Nature of correction

5. While completing the work required to comply with these directions, the Council has also been completing an additional review of the CRDP to identify any further minor corrections. This additional work has inhibited the Council's ability to complete the above tasks within the directed timeframe and it therefore respectfully seeks an extension of time to Friday, 24 February 2017.

DATED this 10th day of February 2017
