MAY IT PLEASE THE PANEL:

1. This application seeks leave to lodge supplementary evidence in relation to the Specific Purpose (Burwood Landfill and Resource Recovery Park) Zone Proposal (Stage 3) (**Proposal**).
2. The Proposal has been set down for a hearing on 9 December 2015. The Panel's evidence timetable was completed on 30 November 2015 when the Council lodged rebuttal evidence from its planner, Ms Kimberley Rolton. Ms Rolton's evidence confirmed that there were no longer any issues in dispute and outlined agreements reached with submitters.
3. Since Ms Rolton's rebuttal evidence was lodged, the Christchurch City Council (**City Council**) has been approached by the Canterbury Regional Council (**Regional Council**) in relation to potential inconsistencies between the Proposal and rules 9.5.17 and 9.5.18 of the Canterbury Land and Water Regional Plan.
4. The Regional Council has not lodged any evidence on the Proposal. However, Ms Rolton has considered the issues raised by the Regional Council, and considers that she is obliged under the Code of Conduct for Expert Witnesses to prepare and lodge a supplementary statement of evidence. At this stage we do not expect there to be any matters in dispute with the Regional Council.
5. For the reasons above, the Council respectfully seeks leave to file supplementary evidence from Ms Rolton. The Council confirms it will serve submitters and the Regional Council by email contemporaneously with this application.

DATED this 3rd day of December 2015
